Check Processing Authorization

- One Time
- Revolving *

*This authorizes A&F to process future checks without you having to send in additional authorization forms. This does not authorize A&F to charge your checking account on a recurring basis.

I authorize A&F Financial Securities, Inc ("Company") to use the information that I have delivered to the company by facsimile to generate a check draft with my name, MICR information, and my printed signature in the signature block. I hereby authorize, adopt and authenticate such checks and authorize A&F Financial Securities, Inc to deposit said check for regular collection.

I hereby authorize my bank to accept the check with the above information and only my printed signature and to charge my account with the amount set forth herein. This bank instruction shall supersede all other instructions to my bank with respect to these checks.

My signature on this authorization, although received on a facsimile hereof, shall be deemed my original signature for all purposes.
